Swift API sample code

Copyright (c) S.W.I.F.T SC ("***Swift***"), Avenue Adele 1, B-1310 La Hulpe, Belgium or its licensors, 2023. All rights reserved.

IMPORTANT NOTE

Subject to your acceptance of the terms of this License, You may install and use this version of the Swift API sample code software ("***Software***") and any related documentation only if you are a dully registered Swift user, an authorized Swift Partner or Service Bureau and the installation and use of the Software conforms to the terms set forth below. Please note, that this Software is designed and must be only used to access and use Swift services and products for Your own use or to your Affiliates or a subscriber to, or an entity authorized to use or access Swift services ("***Authorized Users***"). An Affiliate shall mean an entity means any other entity Controlling, Controlled by or under common Control with such entity; "Control" and its derivatives shall mean the holding, directly or indirectly, of more than 50% ownership interest. For those Swift Partner or other entities who desire to access Swift Services via this Software to non-Affiliated entities should contract their Swift representative to inquire about participation in a relevant Swift programme (for example, the Enablers Programme)

Note, that this Software includes accompanying third party software for use in conjunction with the Software. Installation and use of the accompanying third-party software is subject to your acceptance of the applicable license terms. Those license terms for the applicable third-party software are identified below. You should carefully read these and those license conditions prior to downloading the Software. By indicating your acceptance as specified or your use the Software, you will have accepted and agreed to the license terms (including the third-party software). If you do not accept these license terms, you must not install or use the Software.

LICENSE.

Subject to the license restrictions contained in this License, Swift grants you a personal, free of charge, limited, nonexclusive, revocable, license to use, copy, modify, merge, publish, distribute and sublicense the Software to (i) develop your own applications to interoperate with or access Swift's services, (ii) incorporate the Software in your applications for Authorized Users to interoperate with or access Swift's services, and (ii) embed and distribute the Software as part of your own applications to interoperate with or access Swift's services for your Authorized Users; provided that You will include a copy of this License with each copy of the Software. No other use is permitted under this License.

OWNERSHIP.

The Software is licensed to you not sold to you. Swift, and its licensors, own all intellectual property rights in the Software (and its content) and are protected by copyright, trade secrets, patents, trademarks or other proprietary rights and applicable laws. Any copyright, license or ownership rights notices and other legal notices included in this License and in the embedded third-party software are not to be removed. No other rights are granted to you other than those set forth in this License.

NO SUPPORT OR MAINTENANCE.

Swift is not obligated to provide any support or maintenance for the software. Users are responsible for their own use of the Software, including any modifications or adaptations made to it.

SWIFT WARRANTY AND DISCLAIMER.

THE SOFTWARE, API SPECIFICATIONS, AND ALL OTHER DOCUMENTATION ARE PROVIDED TO YOU "AS-IS" WITHOUT ANY KIND, TO THE MAXIMUM EXTENT PERMITTED BY LAW, SWIFT DISCLAIMS ALL WARRANTIES AND CONDITIONS, EXPRESS OR IMPLIED, INCLUDING BUT NOT LIMITED TO, ANY IMPLIED WARRANTIESOF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE, QUALITY, AND NON-INFRINGEMENT. IN NO EVENT SHALL SWIFT OR THE COPYRIGHT HOLDERS ARE LIABLE FOR ANY LOSS OF PROFITS OR FOR ANY INDIRECT, INCIDENTIAL, PUNITIVE, SPECIAL, EXEMPLARY, OR CONSEQUENTIAL DAMAGES ARISING FROM OR RELATED TO YOUR USE OF THE SOFTWARE, PREVAL SPECIFICATIONS AND ANY OTHER DOCUMENTATION. SWIFT'S MAXIMUM LIABLITY FOR ANY DAMAGES ARISING OUT OF OR RELATED TO THE USE OF HE SOFTWARE, PREVAL SPECIFICATIONS, AND ANY OTHER DOCUMENATION OR OTHERWISE ARISING IN CONNECTION WITH THIS LICENSE WILL NOT EXCEED 50 EUR.

YOUR WARRANTIES.

By using the Software, you represent and warrant (i) you have the full power and authority to bind for yourself and the entity receiving the benefits of the Software, and any associated documentation, to the terms of this License, (ii) You will use the Software in accordance to this License and (iii) you are not subject to any export ban or sanctions programs and that you will comply with all applicable export regulations applicable to the use or distribution of the Software.

INDEMNITY.

By using the Software, you agree to indemnify, defend and hold harmless Swift, including its Affiliates, officers, directors, suppliers, licensors, contributors and employees from and against any claims, liabilities, damages, losses, or expenses (including reasonable legal fees and costs) arising out of your use or distribution of the Software or your breach of this License.

TERM AND TERMINATION.

This License is effective until terminated by either party. Swift may terminate this License immediately if you fail to comply with any provision of this License.

GOVERNING LAWS.

This License is governed by and subject to the laws of Belgium. Any dispute concerning this License which cannot be amicably resolved shall be finally settled under the Rules of Conciliation and Arbitration for the International Chamber of Commerce by three arbitrators appointed in accordance with these rules. The arbitration proceedings shall take place in Brussels Belgium and be conducted in English.

THIRD-PARTY SOFTWARE

The Software includes, the following third-party software, in whole or in part. Such third-party software is governed by the terms of their designated license agreements. All intellectual property rights in embedded third-party software remain the sole and exclusive ownership of the creators of the software. Please note, the following:
